Our services

QUALITY CONTROL/ ASSURANCE

Our Quality Controllers visit the factory regularly to make sure we meet our Buyer's requirements. Our quality control personnel are stationed at all manufacturing sites to ensure that all production will meet according to buyer's requirement. We monitor the order from sourcing of raw materials and accessories to production and up to the final shipment goods. We also monitor and report the status of the order to the buyer with systematic follow up on each and every stage.

STATUS REPORTING

For a transparent process, status reports based on the multi-state inspections are transmitted to you by fax or email. Also, the production progress is analyzed in relation to the delivery terms and suitable course of actions taken to ensure goods are delivered in time. The consignment is allowed for shipment if only it is up to the buyers required standard.

PACKAGING

Only approved goods are packed and buyer is assured of getting quality merchandise. Care is also taken to see whether all packing instruction of the buyer are respected.

SHIPMENT/ CARGO HANDLING

All shipping documents reviewed and verified as per buyer instruction. because time is as important for us as it is to the buyer.

COMPUTER AIDED DESIGN

Our CAD team provides sufficient support in garment design & pattern making . Our own inhouse **PLOTTER** allows immediate pattern printing for sampling purpose. We have expert pattern maker who allows pattern making, grading & marker making.
